

# Syllabus

David Guenther

June 21, 2014

## Goals

Testing<sup>1</sup>

Testing<sup>2</sup>

Testing<sup>3</sup>

Testing<sup>4</sup>

$$x = a_0 + \frac{1}{a_1 + \frac{1}{a_2 + \frac{1}{a_3 + \frac{1}{a_4}}}}$$

---

<sup>1</sup>Inlines notes are easier to write, since you don't have to pick an identifier and move down to type the note.

<sup>2</sup>Inlines notes are easier to write, since you don't have to pick an identifier and move down to type the note.

<sup>3</sup>Inlines notes are easier to write, since you don't have to pick an identifier and move down to type the note.

<sup>4</sup>Inlines notes are easier to write, since you don't have to pick an identifier and move down to type the note.
